

Force linear actuator

Suitable for opening heavy vents with extra long travel.
Load transmission by rigid spindle.
Noiseless operation.
High protection from atmospheric agents.
Front or back fixing possibility.

Technical Data:

	Force
Voltage supply:	24Vdc +/- 10%
Thrust force:	1000N
Stroke:	500/750/1000mm
Absorbed current:	1A
Loadless translation speed:	6 mm/s
Time rating:	50%
Protection:	IP65
Safety stop:	Electronic

PART N°: SILVER ANODIZED STROKE 500 mm STROKE 750 mm STROKE 1000 mm
